Image number	Caption	Name of Photographer	Image Date
01_BuckysRun_2022Oct15_KMorgan.jpg	Entrance to property. Note concrete "cattle guard" installed in driveway as part of deer deterrent system. Deer fence begins on either side of this grate. Photograph by K.Morgan	Katrina Morgan	10/15/2022
02_BuckysRun_2022Oct27_ALockwood.jpg	First view of house from driveway. Garden and tractor path, adjacent to cattle grate, just inside fence, begins on right side of photo. Photograph by A.Lockwood	Anna Lockwood	10/27/2022
03_BuckysRun_2022Dec16_ALockwood.jpg	View looking back up driveway to property entrance. Curve in driveway and multi-plant "green screen" keeps property private. Driveway created with layers of 3/4" gravel and decorative pea gravel, then coated with a permeable epoxy to manage rainfall. Water is absorbed through the driveway surface and channeled underground to the dry stream bed and rain garden. Photograph by A.Lockwood	Anna Lockwood	12/16/2022
04_BuckysRun_2021Oct29_KMorgan.jpg	View from guest parking area of driveway looking SW into the woodland garden that stretches across the front of the property. Photograph by K.Morgan	Katrina Morgan	10/29/2021
05_BuckysRun_2022Oct27_ALockwood.jpg	Bluestone walkway to front door. Hornbeam hedge begins on left side of photo, it provides screening of driveway from house. Seven Sons (Heptacodium) tree on right side of walkway behind Abelia Kaledoscope hedge - a 'must have' according to garden owner. Custom made arch and lantern by Berry Bate of Asheville, NC at entrance to front walkway. Photograph by A.Lockwood	Anna Lockwood	10/27/2022
06_BuckysRun_2021Apr06_KKBrown.jpg	Owners truck with plants for the garden. Deer fencing with Cherry Laurels planted along property line. Smilax vine on garage. Photograph by KKBrown	Karen K. Brown	4/6/2021
07_BuckysRun_2022Oct05_ALockwood.jpg	View from front walkway back to driveway. Bonsai on pedestal, lorapetalum hedge hides retaining wall along farside of driveway. Lavendar planted in specifically created bed above retaining wall. Photograph by A.Lockwood	Anna Lockwood	10/5/2022
08_BuckysRun_2021Apr06_KKBrown.jpg	Garden path from front walk to solarium, early spring . Perennial border with containers, birdfeeders, birdbath, fountain and flowering shrubs for cheery view from porch, breakfast room and kitchen windows. Hidden from driveway by Hornbeam hedge. Photograph by KKBrown	Karen K. Brown	4/6/2021
09_BuckysRun_2021Jun09_KKBrown.jpg	Garden path from front walk to solarium, summer . Perennial border in full bloom. Hornbeam hedge on left side of path. Crepe Myrtle fully leafed out. Photograph by KKBrown	Karen K. Brown	6/9/2021

Image number	Caption	Name of Photographer	Image Date
10_BuckysRun_2021Mar08_KKBrown.jpg	Walkway to front door, dwarf Oakleaf Hydrangeas on left side of walk, various Epimediums and ground covers on right side. Sculpture "Prayer to the Universe" by Berry Bate of Asheville, NC. Sculpture is 7ft tall and was created from a single sheet of iron. Photograph by KKBrown	Karen K. Brown	3/8/2021
11_BuckysRun_2021Oct29_KMorgan.jpg	Front entrance to home. Seasonal plantings in the urns on either side of front steps. Photograph by K.Morgan	Katrina Morgan	10/29/2021
12_BuckysRun_2018Jun14_Alockwood.jpg	Garden Path just below front walkway, leading into Woodland Garden area. Photograph by A.Lockwood	Anna Lockwood	6/14/2018
13_BuckysRun_2021Mar25_KKBrown.jpg	Front of property,near driveway, first path into Woodland Garden from the tractor path. Illicium 'Sunshine' shrubs brighten the path. Radicans Cryptomeria one of the very few plants remaining from prior owners landscape. Photograph by KKBrown	Karen K. Brown	3/25/2021
14_BuckysRun_2021Jun09_KKBrown.jpg	Woodland Garden, path leading deeper into woodland area. Layers of shade perennials fill bed on left side of path for year-round interest. Photograph by KKBrown	Karen K. Brown	6/9/2021
15_BuckysRun_2021Jun09_KKBrown.jpg	Woodland Garden, same path as prior photo, looking to plantings on right side of path. Note dry stream bed entering photo from right side. Photograph by KKBrown	Karen K. Brown	6/9/2021
16_BuckysRun_2022Oct27_ALockwood.jpg	Woodland Garden, path leading to lower section, nearing rain garden and tractor path that runs along lower side of property. Photograph by A.Lockwood	Anna Lockwood	10/27/2022
17_BuckysRun_2022Nov26_KMorgan.jpg	Woodland Garden - One of two gates from Charleston, SC that date back to the early to mid 1800's; they have no welds. Their finials and bars were forged and pounded out by hand. Gate restoration by Berry Bate of Asheville, NC. The Griffin is the "guardian" of the Woodland Garden. Photograph by K.Morgan	Katrina Morgan	11/26/2022
18_BuckysRun_2022Oct15_KMorgan.jpg	View from other side of the gate in the prior photo looking to hydrangea bed planted above retaining wall and to fenced area around pool and cutting garden. Photograph by K.Morgan	Katrina Morgan	10/15/2022
19_BuckysRun_2021May08_KMorgan.jpg	Small garden path in lower area of Woodland Garden. Bench sits to right of dry stream catch pond (rain garden). Gate in distance, from horse stable in Lexington, KY, gives access to tractor path through deer fencing. Photograph by K.Morgan	Katrina Morgan	5/8/2021

IMAGE / CAPTION LIST - 'Bucky's Run'

Image number	Caption	Name of Photographer	Image Date
20_BuckysRun_2022Oct05_Alockwood.jpg	Rain garden/catch basin in woodland area. Pool area in upper right hand corner of photo. Photograph by A.Lockwood	Anna Lockwood	10/5/2022
21_BuckysRun_15Oct2021_KKBrown.jpg	Woodland Garden, lower tractor path to street. Used for moving and removing materials from site. Owner/Designer/Installer of gardens. Photograph by KKBrown	Karen K. Brown	10/15/2021
22_BuckysRun_2022Oct15_KMorgan.jpg	Tractor path/garden path looking back into Woodland Garden from area by lower retaining wall below pool area. Street in front of property totally screened by plantings. Photograph by K.Morgan	Katrina Morgan	10/15/2022
23_BuckysRun_2021Jun09_KKBrown.jpg	Garden and tractor path from Woodland Garden area, running parallel with retaining wall below pool & cutting garden areas. Newly planted shrubs (on left side of path) will help to screen pool area. Cherry laurels on right side of photo run along property line and screen the deer fencing. Photograph by KKBrown	Karen K. Brown	6/9/2021
24_BuckysRun_2021Jun09_KKBrown.jpg	Late spring view of pool and Cutting Garden. Notable: Twenty varieties of Echinacea in bed at far end of pool. Photograph by KKBrown	Karen K. Brown	6/9/2021
25_BuckysRun_2021Jun09_KKBrown.jpg	Summer view of Cutting Garden at poolside. Lower retaining wall added to make additional area for cut flower planting beds. Photograph by KKBrown	Karen K. Brown	6/9/2021
26_BuckysRun_2021Oct29_KMorgan.jpg	Winter view of Cutting Garden adjacent to pool area. Concrete statue of Dove from Louisville, KY. Photograph by K.Morgan	Katrina Morgan	10/29/2021
27_BuckysRun_2022Oct15_KMorgan.jpg	Stable gate (one of 4 on property, from horse stable in Louisville, KY) allows access from upper rear lawn to tractor path. Bordered by Winter's Snowman Camellias. Beginning of second Hornbeam hedge on right side of photo. Deer fencing is 8ft tall. Photograph by K.Morgan	Katrina Morgan	10/15/2022
28_BuckysRun_2021Jun09_KMorgan.jpg	Stone steps down into right side middle lawn and Birch Grove. Water feature on right side of photo, hidden by plantings. Photograph by K.Morgan	Katrina Morgan	6/9/2021
29_BuckysRun_2021Jun09_KKBrown.jpg	Foundation plantings along rear of house. Stacked stone borders typical around most of the garden bed areas. These stacked borders allow addition of amended soils for a better growing environment for the plants. Photogrph by KKBrown	Karen K. Brown	6/9/2021

Image number	Caption	Name of Photographer	Image Date
30_BuckysRun_2021Jun09_KKBrown.jpg	View from lawn below water feature and arbor. Hornbeams planted in a row parallel to house, will eventually screen view to the pool area, and the access doors to house crawl space and utility areas. Deer fencing on left side of photo. Pruners at rest in lower right hand corner. Photograph by KKBrown	Karen K. Brown	6/9/2021
31_BuckysRun_2021May08_KMorgan.jpg	View from middle lawn to lower garden bed. Owner working in garden. Note stacked stone border at edge of garden bed. Photograph by K.Morgan	Katrina Morgan	5/8/2021
32_BuckysRun_2021Mar08_KKBrown.jpg	Winter view looking NE through Birch Grove, dry stream bed planted as a rain garden. Owner working in garden. Photograph by KKBrown	Karen K. Brown	3/8/2021
33_BuckysRun_2021Oct29_KMorgan.jpg	Seating area in lower lawn, view looking north across property. Weeping Bald Cypress on left side of photo. Neighbor's house in upper center of photo. Photograph by K.Morgan	Katrina Morgan	10/29/2021
34_BuckysRun_2021Jun09_KMorgan.jpg	Birch grove area with dry stream bed/rain garden. Hydrangeas in bloom. Specimen tree: Weeping Bald Cypress (Taxodium distichum) Photograph by K.Morgan	Katrina Morgan	6/9/2021
35_BuckysRun_2021May08_KMorgan.jpg	Birch Grove area created with five 3" caliper Birch trees as a backdrop for the waterfall water feature in 2016. They surround the rain garden. Native azaleas in bloom. Deer fencing separates the garden from the tractor path. Photograph by K.Morgan	Katrina Morgan	5/8/2021
36_BuckysRun_2021Oct29_KMorgan.jpg	View from middle of rear lawn looking to far side of property. Arborvitae in middle of image "trimmed" by deer prior to owner installing deer fencing. Photograph by K.Morgan	Katrina Morgan	10/29/2021
37_BuckysRun_2021Jun09_KMorgan.jpg	View looking to south side of rear lower lawn. Tubular sculpture in garden by David Caudill of Louisville, KY. Seating area is located behind Birch Grove looking towards water feature. Deer fencing runs behind the cryptomerias. Photograph by K.Morgan	Katrina Morgan	6/9/2021
38_BuckysRun_2021Oct29_KMorgan.jpg	View from lower garden looking back towards house. Arbor at water feature can be seen behind Weeping Bald Cypress (Taxodium distichum) tree. Photograph by K.Morgan	Katrina Morgan	10/29/2021
39_BuckysRun_2022Oct15_KMorgan.jpg	View from behind lower garden looking across lawn, up slope to house. Photograph by K.Morgan	Katrina Morgan	10/15/2022
