01_BrownHillGardens_2023Apr18_KKBrown.jpg	Inspired by the Approach Road at the nearby Biltmore Estate, entry to Brown Hill Gardens begins with a thoughtfully planned 1000' approach road that winds through the woods and native rhododendrons. The native moss shoulders are carefully cultivated and maintained to intrigue and welcome visitors to the garden. Early spring with mountain ridge visible in the distance. Photograph by Karen K Brown.	Karen K. Brown	4/18/2023
02_BrownHillGardens_2023Mar13_KKBrown.jpg	Late winter view of Approach Road, perennial bed and shrubs added for additional interest and color in colder seasons. Early blooming honeysuckle, Lenten roses, Illicium and Witchhazel. Photograph by Karen K Brown.	Karen K. Brown	3/13/2023
03_BrownHillGardens_2023Jun30_KKBrown.jpg	Approach Road at the beginning of summer. Trees leafed out, native moss on road and shoulders, maintained by keeping it clear of leaves and other debris. Roof of house barely visible in middle of photo. Photograph by Karen K Brown.	Karen K. Brown	6/30/2023
04_BrownHillGardens_2023Mar13_KKBrown2.jpg	View looking from the upper end of the driveway back down the Approach Road. Lower lawn on left side with firepit along midpoint of driveway created for outdoor gatherings. Spring bulbs beginning to bloom. Mountain ridge line visible in distance. Family dog, Rosie, on patrol. Photograph by Karen K Brown.	Karen K. Brown	3/13/2023
05_BrownHillGardens_2021May19_KKBrown.jpg	Top of drive, mid-spring, looking down Approach Road. Dry stream bed on left side of drive to manage water run off. Fort McNair Horsechestnut tree in bloom, right side of photo. Photograph by Karen K Brown.	Karen K. Brown	5/19/2021
06_BrownHillGardens_2022Sep15_ALockwood.jpg	Almost fall view of the Fort McNair Horsechestnut tree and planted beds along end of house. Tennessee field stone and pea gravel path leads from driveway to patio and gardens in rear of house. Photograph by Anna Lockwood.	Anna Lockwood	9/15/2022
07_BrownHillGardens_2021May19_KKBrown.jpg	Drive court view, mid-spring. Front door of house hidden by Peris shrubs; clematis blooming on trellis between garage and mandoor. Hand forged iron gate on right side is access point for breezeway that runs between house and root cellar. Photograph by Karen K Brown.	Karen K. Brown	5/19/2021
08_BrownHillGardens_2021Apr13_KKBrown.jpg	View from front of house, looking to the stone steps that lead to terrace area with seating and fire pit. Bank planted with sun-loving conifers, shrubs and perennials; annual color added for seasonal interest. Yard hydrant at left of stairs makes for easy watering. Photograph by Karen K Brown.	Karen K. Brown	4/13/2021

09_BrownHillGardens_2023Apr18_KKBrown.jpg	Stacked stone retaining wall runs the length of the drive court. Note change in elevation and blending of planned/planted garden into native woodlands. Photograph by Karen K Brown.	Karen K. Brown	4/18/2023
10_BrownHillGardens_2021Sep13_ALockwood.jpg	View from seating area terrace, showing front of house and foundation plantings. The family dog, Rosie, enjoys the shade. Photograph by Anna Lockwood.	Anna Lockwood	9/13/2021
11_BrownHillGardens_2021May19_KKBrown.jpg	Upper pathway along rear area of root cellar (roof edge visible on left side of photo). Planted with a variety of perennials, shrubs and dwarf trees for all season interest. This area is accessed via the stone stairway shown in prior photo. Photograph by Karen K Brown.	Karen K. Brown	5/19/2021
12_BrownHillGardens_2021May19_KKBrown.jpg	View looking towards fire pit/sitting area terrace and drive court from the upper path. Photograph by Karen K Brown.	Karen K. Brown	5/19/2021
13_BrownHillGardens_2021May19_KKBrown.jpg	Easy step up from upper path onto root cellar roof to view terrace and woodland above the drive court. Photograph by Karen K Brown.	Karen K. Brown	5/19/2021
14_BrownHillGardens_2021Sep13_KKBrown.jpg	Late summer view from roof of root cellar onto the upper planted pathway. Path curves and continues downhill to the potting shed area with access to root cellar and breezeway. Photograph by Karen K Brown.	Karen K. Brown	9/13/2021
15_BrownHillGardens_2021Apr13_KKBrown.jpg	Early spring view of upper planted pathway. Note blending of planted/planned gardens into natural woodland. Photograph by Karen K Brown.	Karen K. Brown	4/13/2021
16_BrownHillGardens_2021Oct13_ALockwood.jpg	First glimpse of side lawn and deck from the potting shed work area. Pieris hedge hides this work area from the lawn below. Photograph by Anna Lockwood.	Anna Lockwood	10/13/2021
17_BrownHillGardens_2021May19_KMorgan.jpg	Specimen plantings along path leading from upper planted path to potting shed area and continuing down to the side yard. Photograph by Katrina Morgan.	Katrina Morgan	5/19/2021
18_BrownHillGardens_2023Apr18_KKBrown.jpg	Stacked stone and block retaining wall defining the work area outside the potting shed and breezeway. Photograph by Karen K Brown.	Karen K. Brown	4/18/2023

19_BrownHillGardens_2021May19_KKBrown.jpg	The family dog, Rosie, enjoys a shortcut from the upper planted path down to the work area just outside of the breezeway. Photograph by Karen K Brown.	Karen K. Brown	5/19/2021
20_BrownHillGardens_2021May19_KKBrown.jpg	Mid-spring view of the work area, buckets, wheelbarrow, and golf cart in view tucked in the breezeway. Photograph by Karen K Brown.	Karen K. Brown	5/19/2021
21_BrownHillGardens_2021Sep13_ALockwood.jpg	Late summer view of the octagonal deck and grassy side lawn, woodland provides complete privacy. Stone steppers in grass run alongside a perennial border, Cardinal flowers in bloom and lead to a patio and seating area. Photograph by Anna Lockwood.	Anna Lockwood	9/13/2021
22_BrownHillGardens_2023Mar13_KKBrown.jpg	Looking up to the blooming pieris hedge that screens the work area just outside the potting shed. Stone steps from upper level descend through a archway created by the pieris. Path onto lawn are bordered by sculpted boxwoods. Photograph by Karen K Brown.	Karen K. Brown	3/13/2023
23_BrownHillGardens_2021May19_KKBrown.jpg	Stone staircase from the grass lawn to the potting shed area. Bordered with boxwood, pachysandra and topped with a pieris archway opening. Photograph by Karen K Brown.	Karen K. Brown	5/19/2021
24_BrownHillGardens_2021Apr13_KKBrown.jpg	Grassy lawn patio and surrounding garden beds designed in 2004 by landscape architect, Kirk Alexander. This area is a focal point of the landscape, visible from many areas including the screen porch and decks. Often used as a central gathering place before heading out to view various areas of the property. Photograph by Karen K Brown.	Karen K. Brown	4/13/2021
25_BrownHillGardens_2023Apr18_KKBrown.jpg	Early April, blooming Lily of the Valley in the perennial border along steppers that lead from lower patio area to the grassy lawn patio area shown in photo #24. Photograph by Karen K Brown.	Karen K. Brown	4/18/2023
26_BrownHillGardens_2021May19_KKBrown.jpg	Mid-spring view of the layered perennial border. This garden bed was designed by the garden owner. Photograph by Karen K Brown.	Karen K. Brown	5/19/2021
27_BrownHillGardens_2023Mar13_KKBrown.jpg	Nearing the end of winter, this view shows the second floor screened porch, the lower patio, the multi-elevation deck and the mountain ridge through the trees. Photograph by Karen K Brown.	Karen K. Brown	3/13/2023
